Background Information

On November 7, 2023, the Duncanville ISD voters passed two bond propositions totally \$170 million in funding for facilities renovations, technology upgrades, safety and security improvements and a career and technical education addition.

As the 2023 bond work has progressed with the renovation of Daniel Elementary School and Hardin Elementary School, it was noted by the district bond team and LAN, bond project manager, these schools which transitioned from intermediate schools to elementary schools currently have no playground equipment for the young scholars Pre-kindergarten to fifth grade.

We are requesting the purchase of playground equipment for Hardin and Daniel Elementary Schools.

The pricing for Daniel is **\$173,818.03** The pricing for Hardin is **\$174,490.98**

Lea Park and Play is a member of Buy Board Co-op and as a result the District will get discount pricing with receipt and installation prior to the start of the 2025-26 school year. Bond savings from the first renovation packages, will cover the cost of the playgrounds. The administration is recommending purchase of playground equipment to outfit Daniel ES and Hardin ES for a total of **\$348, 309.01**

Recommendation

It is the recommendation of the administration to purchase playground equipment for Daniel ES and Hardin ES in the amount of \$348, 309.01 from Lea Park and Play.
