

Temple Independent School District
CW(LOCAL) – Naming Facilities
List of Recommended Names
2022 05-25

According to Board Policy CW(LOCAL), the Board shall have the final authority and responsibility for the naming and renaming of District facilities. Nominations are submitted to the Communications Department, along with supporting information detailing the name’s importance and any pertinent history to be considered. These nominations are forwarded to the Board Policy Committee and then may be placed on a list of recommended names to be reviewed and/or modified by the Board, as a whole. At the appropriate time, the Board Policy Committee will select one name from the list of recommended names and submit it to the full Board for approval.

Below is the current list of recommended names (and its date of inclusion) for review by the Board.
