Students earning a diploma within four years.

District Goals

The Pendleton School District has four goals. Goal #1: Instructional Excellence. By investing in our staff, we hope to ensure a highly skilled educator will be in every classroom teaching our students. Goal #2: Be responsive to the needs of all students. Students can only reach their full potential if they are safe, valued and feel a part of a larger group. Goal #3: Encouraging innovative and emerging practices, strategies and programs. We will explore new frontiers in providing 21st Century learning experiences to our students. Goal #4: Establish and maintain the Pendleton School District brand.

State Goals

The Oregon Department of Education is working in partnership with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.
