

Curriculum, Instruction and Assessment

September, 2025

Professional Learning

- SB 12 - Parent Rights - Instructional plans have been placed on the district website. <https://sites.google.com/hisd.com/hisd-instructional-plans/home>
- SB 12 - Parent Rights - Parent consent has been obtained for counseling services, health services/screenings and clubs students are engaged in. These will be included in registration packets in the following years.
- SB 13 - Library Materials - A website link on our district website has been created for parents to view library book lists and a way to provide input.
<https://www.hisd.com/domain/2029>
- New teachers have been trained on district wide screening instruments and benchmarking systems as well as curriculum resources and documents.
- Our first year teachers have been participating in a New Teacher Academy focused on strategies and skills to assist them with classroom management, parent engagement and overall classroom structures. Each new teacher has been assigned a mentor who is also being trained on effective mentoring strategies.

Curriculum and Instruction/Assessment
