## **PROPOSED 2025-2026 BUDGET OVERVIEW**

December 9, 2024

Dear Members of the Woodbridge Board of Education,

I am pleased to submit the FY 2025-26 Superintendent's proposed budget for your consideration.

The proposed budget is \$18,691,855 which amounts to an increase of \$1,076,830 or 6.11% over the current FY2024-25 budget.

This budget was developed to reflect the values and vision of the Board and Community and underscores our commitment to fostering learning at high levels. We believe this budget will provide a high-quality educational program that serves all students while continuing to advance the District's goals.

The key drivers in developing the FY25 budget remain consistent with past budgets and include:

- District Strategic Plan focus
- Salary and Benefit Increases
- Continued Increasing Enrollment and Increasing Student Needs
- Special Education
- Increasing Transportation Needs
- Technology improvements and replacements
- Reallocation of Resources

Salaries and benefits account for around 81% of our total budget which is consistent with the prior year.

Our spending plan continues to support the vision and mission of the Woodbridge School District and focus on the academic, emotional, social and physical needs of our learners in an effort to prepare them for a successful future as responsible global citizens. This budget was developed with the purpose of creating an environment with high expectations, quality instruction, and continuous improvement for our staff and our learners of the Beecher Road School Community.

Thank you for your consideration of this budget as presented. I look forward to our collaborative conversation about how best to continue to move our district forward.

Vonda J. Tencza

Superintendent of Schools
