NOW THEREFORE, BE IT RESOLVED by the School Board of Independent School District No.2143, State of Minnesota, as follows:

1. The clerk shall accept affidavits of candidacy for this office during the same filing period as applicable to the school district general election; i.e. between 84 and 98 days before the date of the special election. (May 18 – June 1, 2021)

2. (a) It is necessary to hold a special election to elect one (1) individual to fill the vacancy in the term of School Board Member expiring the first Monday in January, 2023.

3. The special election shall be held on Tuesday, the 10th day of August, 2021 between the hours of 5 o'clock p.m. and 8:00 o'clock p.m. This date is a uniform election date specified in Minnesota Statutes, Section 205A.05

If the special election is held on any other date in the even-numbered or odd numbered year than one of those specified above, the school district combined polling places and the precincts served by those polling places, as previously established and designated by school board resolution for school district elections not held on the day of a statewide election, are hereby designated for this special election. In this case, the clerk is hereby authorized and directed to prepare a notice to any voters who will be voting at a combined polling place for this special election. The notice must be sent by nonforwardable mail to every affected household in the school district with at least one registered voter. The notice must be mailed no later than fourteen (14) days before the date of the election. A notice that is returned as undeliverable must be forwarded immediately to the appropriate county auditor. The notice must include the following information: the date of the election, the hours of voting and the location of the voter's polling place. This notice may be in the same form as the notice of special election to be published and posted.

The notice shall include the date of said special election and the office to be voted on at said special election.

The clerk is hereby authorized and directed to cause notice of said special election to be posted at the administrative offices of the school district at least ten (10) days before the date of said election.

The clerk is hereby authorized and directed to cause a sample ballot to be posted at the administrative offices of the school district at least four (4) days before the date of said election and to

cause two sample ballots to be posted in each polling place or combined polling place on election day. The sample ballot shall not be printed on the same color paper as the official ballot. The sample ballot for a polling place or combined polling place shall reflect the offices, candidates and rotation sequence on the ballot used in that polling place.

The clerk is hereby authorized and directed to cause notice of said special election to be published in the official newspaper of the district, for two (2) consecutive weeks with the last publication being at least one (1) week before the date of said election.

The clerk is authorized and directed to cause the rules and instructions for use of the optical scan voting system to be posted in each polling place or combined polling place on Election Day.

The notice of election so posted and published shall state the office to be filled as set forth in the form of ballot below, and shall include information concerning each established precinct and polling place.

The notices to be posted and published may be combined with the Notice of General Election or the Notice of Primary Election if the general or primary and the special election are held together.
