Re: 2025 Special Services: Relay Hub

CC: Board of Education

---

I recommend that we contract with Relay Hub, previously R &G Consultants, to utilize the workload assist program which provides scheduling, reporting, and Medicaid Fee for Service claiming for services provided to identified Medicaid eligible students.

The Administration recommends that the Board of Education approve the contract with Relay Hub (Previously R&G consultants). If you have any questions, please contact me at your convenience.

Thank you,
