November 17th Board Recognitions

MISD Employees of October 2025

Millsap Elementary School – Mrs. Bambi King (Pre-Kindergarten)

Congratulations to Bambi King, our Employee of the Month! Bambi is an exceptional Pre-K teacher who creates a warm, engaging, and structured learning environment for our youngest learners. She maintains high expectations and brings rigor to her lessons while ensuring that learning is always meaningful and fun. Bambi goes above and beyond to build strong, trusting relationships with her students and their families, creating a true partnership in learning. Her creativity, patience, and commitment to early childhood education shine through in everything she does. We are so grateful for her dedication and the positive impact she makes every single day! We are so lucky to have Bambi on our team!

Millsap Middle School – Mrs. Christy Stafford (6th Science)

Ms. Stafford's pedagogy is truly superb. Her thoughtful and engaging lessons consistently connect academic content to real-world applications, making learning both meaningful and relevant for her students. One of the most impressive aspects of her classroom is the environment she has created where the use of academic vocabulary is a must. It has become the norm, not the exception, for students to speak and write using precise, content-rich language. Ms. Stafford is intentional about recognizing and praising students when they use academic vocabulary correctly, reinforcing its importance and helping them take pride in their communication. Her classroom radiates positivity, purpose, and high expectations. Congratulations, Ms. Stafford.

Millsap High School- Mr. Ronald Blum (AgScience Teacher)

The MHS Staff Member of the Month for September is All In & All Bulldog!

Mr. Blum pours his heart and soul into everything he does! He's deeply invested in his students' futures, holding them to high standards because he knows they're capable of great things. His dedication shows—not just in the classroom, but in the success of our FFA students who continue to bring home awards and recognition.

He's the kind of teacher who goes the extra mile when students put in the effort, and he's always ready to lend a helping hand around campus—whether it's fixing equipment, building a bench for the new entryway, or crafting décor for the front office.

Mr. Blum is a true team player, a difference-maker, and the definition of Bulldog Pride!

November 17th Board Recognitions

Millsap ISD Support Staff- Mr. Freeda Wilcher (MHS Cafeteria)

Freeda Wilcher has been named Employee of the Month for her undeniable dedication and commitment to both the students and the district. Her passion for nurturing the kids shines through in every meal she prepares, ensuring they receive not only nutritious food but also a warm and welcoming environment in the kitchen. Freeda consistently goes the extra mile, whether it's staying late to organize special events or mentoring her team with enthusiasm and positivity. She leads by example, inspiring her colleagues to uphold the same standards of excellence and care that she embodies, making a lasting impact on the entire school community.
