
OCTOBER 2025 EDITION

SAMUEL W. HOUSTON ELEMENTARY

Building Champions by ensuring ALL students reach high levels of learning academically, behaviorally, and socially.

THE PRINCIPAL'S ADDRESS

The past month has been filled with celebration, growth, and community at our campus. From Homecoming festivities to academic achievements, our students and staff continue to make us proud.

We celebrated Homecoming 2025 in style, showing off our age and school spirit on Decade Day. Students and staff enjoyed dressing up throughout the week, showcasing creativity and pride. The Homecoming Parade was a highlight for both our campus and our staff, as we joined the community in celebration and Hornet pride.

We took time this month to recognize our Emergent Bilingual students for their outstanding performance on last year's TELPAS assessment. Individual students were celebrated for their progress, and those who successfully reclassified were rewarded for their hard work and dedication. It was a wonderful moment to celebrate growth and language achievement across our campus.

We continue to see exciting growth during our grade-level Collaborative Team meetings each Wednesday. Teachers are engaging deeply with content, collaborating with our Instructional Specialist and District support staff to design learning experiences that are targeted to student needs. This work is not only increasing student success but also building teacher capacity and content knowledge.

Student growth continues to be at the forefront of our work. As we prepare for our upcoming Open House and Parent-Teacher Conferences, we are proud to showcase the academic and personal progress our students are making. Our goal is for every visitor to see the dedication, collaboration, and commitment to learning that defines our campus.

We would like to extend our gratitude for all you do to support us in all of our endeavors as we continue to Build Champions in Huntsville ISD.

Sting 'Em Hornets!
