Background Information

In June, Governor Walz directed public school districts to develop plans for fall opening based on three scenarios that could be used throughout the year:

- Scenario 1: In-person learning
- Scenario 2: Hybrid (combination of in-person learning and distance learning)
- Scenario 3: Distance learning

To comply with these learning scenarios, the administrative team has recommendations for keeping Jefferson School, changing grade configurations for schools, extending "No Bus Zones" to 2-miles, changing the high school schedule, and implementing numerous safety enhancements. These recommendations are embedded in the attached presentation.
