

Health Services Update

Nicole Goodman | Director of Health Services

Health Services Impact

- Care of Students and Staff
- Goals and Implementation
- Connecting With Our Community
through SHAC

Care of Students

This School Year:

- 16,000 Individual Students have visited the nurse's office
- 87,000 office visits and 50,000 medication/treatment visits
- 38,000 State-Mandated Screenings

Goals and Implementation

- Implemented School Nurse Assistance Program (SNAP)
- Documentation impacts Risk Management, Student Accident Insurance, Food and Nutrition, Special Education, Human Resources and the campus.
- SNAP allows for better communication with stakeholders

Connecting the Community Through SHAC

Social Work

“Healthy kids make better learners.”
