REFUNDS AND EXCHANGES

Your complete satisfaction is our primary concern. At Office Depot, we want to be sure that every purchase is the right one for You. If You are dissatisfied with Your purchase for any reason, You may return most items in their original packaging within 30 days of purchase for a replacement or full refund.

Exceptions:

- Furniture, Computers and Business Machines with accessories in original packaging can be returned within 14 days after purchase for a full refund.
- Opened Computers, Business Machines and Software (with accessories and original packaging) can be exchanged for the same item within 14 days of

- purchase.
- Special Order Products may not be returned or exchanged. This includes items that are not stocked in one of our warehouses and/or are indicated as SPECIAL ORDER.

Large Technology Items and Freight Delivery:

Standard Delivery Service is available for large technology items (greater than 70 lbs.). In most instances, there is no fee for Standard Delivery. These items are delivered by freight trucks that are approximately 56 inches above the ground. These trucks are designed to load and unload items at a loading dock. Most items require a fork-lift. Liftgate Delivery Service is available at an additional fee.

What is liftgate service?

- A liftgate is a device used to lower items from the tractor trailer level to the ground. It is ideal for deliveries to residential areas or commercial areas that do not have a loading dock.

How do I determine if I need liftgate delivery?

- If Your delivery location does not have a loading dock and/or a forklift to remove heavy items from the truck, You need a liftgate.
- If Your delivery location has a loading dock, but the items in Your shipment are too heavy for You to remove from the truck, and you do not have a forklift, You need a liftgate.
- If there is not a carrier terminal in your area and/or You cannot drive to the closest carrier terminal to pick up the freight from the carrier, You need a liftgate.
- If You need liftgate service, You should select the "Freight with Liftgate" option at checkout.
- Liftgate delivery fees are based on the carrier, delivery location and delivery service You request. Fees will be noted at checkout.
- If You do not select Freight Delivery at checkout but You require liftgate service, Your delivery may be delayed and additional charges will apply.

Payment Proposal Summary:

No advance payment is required

Standard Term

\$1 Out Monthly Payment

60

\$2,269.17

FMV (Fair Market Value) **Your End-Of_Lease Options Are:**
1) Purchase the equipment for its Fair Market Value, or
2) Continue to lease the equipment for your regular monthly payment, or
3) Renew the lease for a specified time, or
4) Return the equipment to the Lessor

\$1 Out 1) Purchase the equipment for \$1.00.

When you choose to lease, there may be no greater advantage than the ability to purchase more equipment and services through a financed structure compared to a cash purchase. This added buying power allows you to get more of the solution you need to meet the goals of your organization. Other benefits include:

Finance the Entire Solution:
Technology Obsolescence:
Predictable, Monthly Payments:
Tax & Accounting Benefits:
Easier Budget Forecasting:

We can finance hardware, software, services, installation, training and more.
Avoid the full cost of ownership of equipment that becomes obsolete due to technology advances.
Leasing enables you to pay over time, rather than invest a lump sum up front.
Payments may be tax deductible. See your tax and accounting advisor to confirm the benefits.
Fixed monthly payments allow to you accurately forecast budgets now and in the future.

Terms: I) Quote is valid for, and must fund within, 30 days from issuance, II) Quote is good for new equipment only, III) Quote does not include applicable taxes, which may be billed in addition to the monthly payment, IV) All quotes and transactions are subject to Lenovo Financial Services credit, documentation and equipment configuration review and approval, V) Rates subject to change without notice, VI) Monthly payments may reflect monthly pass through payments for vendor supplied maintenance / service, VII) All transactions are subject to a \$75.00 Documentation Fee.

Please contact me should you have any questions about your finance options.

I look forward to working with you and designing a finance solution to fit your needs.

Thank You,

Financial Services Proposal

Prepared for: Horizon Montessori Public Schools, TX.

Submitted: June 17, 2019

With technology changing everyday, leasing provides you with the flexibility you need to meet your ongoing business needs, as well as being a cost effective way to use operating capital and preserve bank credit lines.

True Lease – Fair Market Value

Operating Leases are used by a majority of commercial and private sector entities to procure technology and other equipment that depreciates rapidly. This structure acts more like a rental of the equipment versus loan with intent to own. Under this structure the Lessor holds Title to the equipment and can take depreciation benefits as the owner of the equipment. It is also important to note that under this structure sale and property tax exemptions may not pass through to the Lessor and under the terms of the Agreement the Lessee would be responsible for the reimbursement of such charges.

Under an Operating Lease, base payments are typically lower then compared to a like term Tax Exempt Purchase structure. Following the base term, the Lessee has several options; 1) the equipment may be returned without penalty; 2) the lease term may be re-negotiated and extended; 3) the equipment may be purchased at its then Fair Market Value; or 4) the Lessee may continue to make monthly payments beyond the original term until they are ready to exercise one of the three previously listed options. **FMV pricing does not include return shipping costs to Andover, MA.**
