The General Fund and Interest & Sinking Fund have all investments in Texpool, First Public and TexStar. Pools are very liquid and money can be transferred out in a matter of hours. The interest rates for pools are higher than other highly liquid investments. The investment funds for Hallsville Independent School District are invested according to District Policy. The District's primary focus is to balance the safety, liquidity and yield needs of the District's investments.

This report is in compliance with the investment strategies as established in the District's investment policy and the reporting requirements mandated by the Public Funds Investment Act (Chapter 2256) as amended.
