To the Superintendent and School Board Members of the LPSD:

I am writing to formally resign from my position as the secondary teacher at Nondalton School after the 2024–2025 school year.

I am deeply grateful to the Lake and Peninsula School District for the opportunities and support I have received throughout my time here. From beginning my journey as a student teacher in Port Heiden in 2017 to returning as a full-time educator in Nondalton, this district has played a pivotal role in shaping me both professionally and personally.

I am especially grateful to the Nondalton community for allowing me to work with your students, support their growth, and help prepare them for life beyond the classroom. Being part of such a resilient and caring village has been an honor.

Thank you for your trust and encouragement over the years.

Sincerely,
