Dear Ms. Luke and Mr. Cornell,

Although my official start date with Lake & Pen was in the summer of 2015, my relationship with the district goes back to 2010 and my first year as the principal in Bristol Bay sharing our joint inservice. I fondly recall driving the SAVEC shuttle bus helping transport teachers and their families from King Salmon to the school in Naknek. Now I find myself staring down the spring semester of my eighth year with LPSD. I don't know where the time has gone.

I have decided to seek new professional opportunities next year. As such, I am tendering my resignation, effective at the conclusion of the FY23 contract year. I've been fortunate to work with a group of fantastic educators, administrators and support staff during my time with LPSD and will cherish the memories we've made together.

Respectfully,
