

**LIVONIA PUBLIC SCHOOLS  
BOARD OF EDUCATION MEETING  
September 26, 2022**

**TOPIC:**                               **Approval to Purchase Dairy Products**

**RECOMMENDATION:**

Move that the Board of Education of the Livonia Public Schools School District approve the purchase of milk and dairy supplies from Cedar Crest Dairy Inc., Hudsonville, Michigan, in the amount of \$220,000.00 for the 2022-2023 school year.

Further move that the Board of Education of the Livonia Public Schools School District approve the additional expenditure for dairy products from Cedar Crest Dairy Inc., Hudsonville, Michigan, in the amount of \$3,500.00 for the 2021-2022 school year.

**RATIONALE:**

This will be an open purchase order for the school year's dairy purchases for school meals. Contract pricing was obtained through Washtenaw ISD bid consortium and approved by MDE, which satisfies the Board's bid requirements. The additional \$3,500 for the 2021-22 school year is required to ensure Board approval of the total expenditures to Cedar Crest Dairy for the previous school year.
