 Presenter(s): Frank Norton, Interim Superintendent

Nature of Action Requested

Board Action
 Board Information or Report

Background Information

MSBA is in the process of deep review and revision of existing policies. Some of the revisions come directly from federal or Minnesota Law. Because the revisions drawn from federal or Minnesota law potentially concern matters of stakeholder interest, MSBA recommends that school boards consider the substantive revisions and use the multiple meeting adoption process set forth in MSBA Model Policy 208.

On September 19, 2022 the school board conducted the first reading. On October 3, 2022 the school board conducted the second reading of these proposed policy changes. These policies are presented for a final reading.

Policy 603	Transportation Nonpublic	Updates District Advisory Committee
Policy 604	Student Transportation Safety	Adds parental Curriculum Review
Policy 721	Uniform Grant Guidance	Updates micro-purchase limit
Policy 722	Public Data Requests	Adds annual review and posting In September, MSBA added additional legal definitions related to data and added the Minnesota statutory language on data subjects to Policy 722. In addition, MSBA enhanced the Legal References section to clearly establish the legal basis for Policy 722. The redline version attached includes these additional changes and may be adopted with this final reading.

Recommendation

I move to approve revisions to Policies 603, 604, 721 & 722 as presented.
