Title: Director of Student Activities

Subject: **Athletic-BMS Athletic Program Softball with 3 Coaching Positions**

Description: Request to add Softball and 3 coaching position to the Browning Middle School athletic programs.

Justification (District Goals): The athletic department would like to add the following athletic program to Browning Middle School, Softball and 3 softball coaching positions. Currently we have a softball program at Napi Elementary for 4th to 6th grade and at Browning High School.

Currently the softball program does not have a feeder program at the Middle School that helps to continue to develop female athletes that play softball and as a result our high school program is behind in fundamentals and techniques when teaching and coaching at that level. The middle school softball program would have 3 coaches with the coaching duties being assigned in the following order One Coach would coach the infield players (1st basemen, 2nd basemen, 3rd basemen, short stop), One coach would coach the pitchers and catchers, and One coach would coach the outfield players (right fielder, center fielder and left fielder Remaining coaching responsibilities for the softball coaching staff would then be batting practice, how to steal bases, teaching all the players how the game should be played as a team both offensively and defensively.

Adding a softball program to the middle school would offer girls one more sport and would even out the sports offered to both boys and girls. Currently we offer the following for boys at the middle school: Football, Basketball, Cross Country, Track and Wrestling, for girls we offer the following Basketball, Cross Country, Volleyball, and Track. The budget for softball at the middle school for the first year would be broken down in the following order:
