RE: **MONTHLY FINANCIAL REPORT – February 2016**

Attached for your review is the financial report for the month ending February 29, 2016.

Revenue received to date is 68.78% of the budget. This is higher than last year mostly due to receiving IDEA Flow Through and Preschool payments that were not received at this time last year. We also show a slight increase in tuition and state payments this year compared to the same time last year. Actual expenditures to date are at 58.09% of budget, also higher than last year. This is also due to the disbursement of the IDEA Flow Through and Preschool money to the districts. We are definitely on target for where we should be at this point in the fiscal year.

Cash balances as of February 29, 2016 are \$3,798,448.
