

Action Sheet

MEETING DATE: April 17, 2024

AGENDA ITEM: Discuss and consider approval of EPIC System

The EPIC system is used for Education Paging & Intercom Communications and is used for bell scheduling, building-wide, and specific location directed two way intercom and emergency notifications and building maps to provide situational awareness for all communications and urgent situations. This is an upgrade to our existing communications technology infrastructure as well as classroom instructional technology. These servers and services will be used throughout the district to include both district campuses and non-instructional buildings, such as the Support Center. Currently, GISD possesses some of the same equipment in the Support Center, Security, and Weis locations. The requested vendor to purchase from on the TIPS/TAPS contract # 220105 will be Audio Enhancement. 2022-2023 Construction Bond Funds will be utilized.

Included in the suite:

- SAFE System (Signal Alert For Education)
- Classroom Audio System
- Classroom Viewpath Video
- Alyssa's Law (Texas SB 838/HB 669) Compliance
- Intercom, Paging, and Bells
- EPIC System Kiosk
- InfoView Display

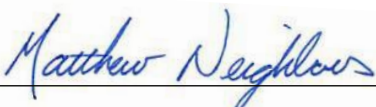

Below are three (3) separate quotes for the entire purchase:

1. Quote # 60301 - \$26,894.09 – District View
2. Quote # 60299 - \$ 21,191.42 – Site View
3. Quote # 59782 - \$ 5,194.00 – Commissioning

Total Amount \$ 53,279.51

RECOMMENDATION:

I move that the Board of Trustees approve the EPIC System purchase from Audio Enhancement in the amount of \$53,279.51, as presented.
