READING

Dedicate some time to reading this week.

Not only is reading a fun activity, but it's been known to help reduce stress and improve memory as well as empathy. Take the time to read something purely for the joy of it.

Here is an article with ore details and good reasons to dedicate tome time to read: <https://selfscience.org/2019/02/week-eight/>

A note from our principal.... Dear Manzanita Families,

As the leaves change and the air turns crisp, we are well into the wonderful season of October here at Manzanita. I hope you all had a fantastic time at our Fall Festival last week. It was a joy to see so many families come together to celebrate the spirit of community that makes our school so special.

As we move forward, I would like to remind you that Parent-Teacher Conferences are just around the corner, scheduled for November 1st, 2nd, and 3rd. Your child's teacher will be reaching out to schedule them soon. This is a valuable opportunity for you to connect with your child's teachers, discuss their progress, and collaborate on ways to support their academic journey. We look forward to welcoming you to these important meetings.

In the spirit of fostering well-rounded and responsible individuals, our monthly character trait for October is "responsibility." We encourage you to reinforce this trait at home and discuss with your children the importance of being responsible in their actions and choices.

Thank you for your continued support, and let's make this October a month of growth, learning, and responsibility together.

Warm regards,

Renee Hults

Proud Principal of Manzanita Mountain Lions
