Plans are in place to provide staff and student grief groups. We now have two outside telehealth consultants working with our students. We are waiting for School Based Health clinic to start theirs.

Community Involvement with students

We held a number of fun runs this summer in conjunction with BPS wellness and the Blackfeet Tribe. Currently they are planning the lights on event and will include students.

Student Leadership:

We had our 1st Supt. Student Advisory Meeting this year. They plan on getting Kindness Posters out around the community, in the schools and at the tribe. They want to continue the kindness campaign and their next step is to start an attendance campaign. They had a lot of positives and a few needs.

Parent Engagement

I have asked all the principals to start a PTO. Our First District Wide Parent meeting is on the 26th of September. The first meeting will be a planning session for the year. I'm excited to get this started.
