Properly Fund Special Education Programs.

Action Proposed:

Propose, seek and/or support legislation that will provide adequate support for special education programs.

Sponsor Rationale:

The state supports special needs students by providing extra funds. In 2010, apart from Kindergarten and K-3 students, Amphitheater had 3,261 special needs students (including ESL students). Of these, 57% or 1,858 were in a category that includes emotional disability, mild mental retardation, specific learning disorder, speech/language impairment, and other health impairments. For each of these 1,858 students, the state only provided the district an additional \$9.93 in funding – an unconscionable amount. The legislature's dereliction of duty puts a huge burden on a district dedicated to providing appropriate support, not only for its special needs students, but for the needs of all of its students.
