

Principal Letter of Recommendation

Re: Hiring Janelle Vilitski

CC: Business Office

I recommend that the district hire Janelle Vilitski as our newest special education teacher at BCES. Janelle comes to our district after interviewing extremely well with Mr. Little and I. She also brings a wealth of experience, most recently in Boyne Falls.

Janelle will start on the step MA-6 when she starts teaching in the fall.

Janelle has three children that attend BCPS, and we are excited to welcome her to our Rambler Family!

Kind regards,

Mike Amabile
