Re: ECC Playground Equipment Purchase

I am requesting that the playground equipment purchase for the new Early Childhood Center being constructed be placed on the agenda for the November 13, 2023, Committee of the Whole meeting. The Bond Team is recommending the purchase of this playground equipment from Kennedy Recreation, who will provide and install the playground equipment and surfacing in an amount not to exceed \$790,095, which includes contingency. This playground equipment purchase and installation at the Early Childhood Center will be paid via the 2021 Bond. Additionally, included with this memo is a rendering of the proposed ECC playground, along with some examples of equipment.

Please contact me if you have questions. Thank you.
