

Purchase Request #8
Regular Board Meeting May 24, 2016
Consideration of Approval of Additional
Funds for Banner and Oracle
Data Base Administration Services

ADMINISTRATION RECOMMENDATION/REPORT

The District President recommends the Board of Trustees approve the expenditure of additional funds and a contract extension to the end of the fiscal year for the purchase of Banner and Oracle data base administration services from the GI Group for the District's Information Technology department.

BACKGROUND

This request will cover the cost to extend this contract until the end of the District's fiscal year, migration services for the Banner test systems and provide additional time for a review and refinement for the specifications for a new solicitation. The contract term end date will change from June 25, 2016 to August 31, 2016.

A request for quotation (RFQ) Number 3574, was issued in June 2013 to provide Banner and Oracle data base administration services for Information Technology. The Board approved a contract with the GI Group in June 2013.

IMPACT OF THIS ACTION

This extension will align this contract with the Districts fiscal year.

BUDGET INFORMATION (INCLUDING ANY STAFFING IMPLICATIONS)

In June 2015, the Board approved an extension for an estimated expenditure of \$41,200.00 for Banner and Oracle data base administration services for Information Technology. This request would increase the total amount approved by \$17,100.00 to a total of \$58,300.00. This expenditure will be funded by the Information Technology Department's 2015-2016 operating budget.
