

Lincoln Savage Middle School

May 2015

We have approached the homestretch of this school year! It's hard to believe time has gone by so fast and now we are preparing for end of the year activities!

We have applied for a \$1500 from Grants Pass Rotary for new audio equipment that will be used for assemblies, dance, Tigers Got Talent and other school activities.

We just started the ShoeBox recycling fundraiser. Parents and students can drop off gently used shoes and boots at the school. We are paid \$2 a pair by ShoeBox Recycling. All money raised will go to benefit our Family Advocate program.

Upcoming School Activities

- May 8th - School Dance 6:00pm to 8:00pm

Athletics

Track season is nearly over with only the district meets left. Hidden Valley graciously hosted our two home meets and we are sincerely grateful for their help. We also appreciate our coaches time: Head Coach ~ Sierra Howerton and assistant coaches Kyle Gaines, Nancy Hurley and Amy Berg .

ACADEMICS:

Mr. Zurhellen's Leadership finished up their Pennies for Patients drive raising over \$795! These students are amazing and highly energetic. Please thank them for their hard work!

Mrs. Polen is putting together for an Honor Society Induction luncheon for later this month. The Honor Society students have also planned a cleanup day at the Murphy Nursery as well as a BBQ lunch there as one of their community service projects.
