SUBJECT: School Land Trust Plan Amendment

The following school is seeking Board of Education approval on changes to their School Land Trust Plan. A Community Council meeting was held to discuss the amendment and a vote took place in which all were approved at the school level.

North Ogden: An Instructional Coach was not designated by the end of the school year by the previous Principal. It was not possible to assign an Instructional Coach before the beginning of the 2025/26 school year. The need to reallocate those funds was discussed, decided and voted upon during our first Community Council of the 2025/26 school year. The \$73,000 designated for the Instructional Coach, with WSD Board Approval, will be reallocated to provide 3.5 teacher buyouts to lower class sizes (\$42,000) and to hire an additional Student Advocate (\$31,000). A new Council Signature form was signed for the voted amendment. No goals are changing in the plan.

Based on this information, we are requesting the Board approve these School Land Trust changes.

Rob Lake - Assistant Director of Secondary Education
