Nature of Action Requested by Board

Board action
 Board information or scheduled report

Background Information

Building and Programming Updates will be provided at each board meeting. The first meeting of each month will be building updates provided by principals or building administrators. The second meeting of each month will be programming updates provided by each director.

2024-25 Fieldtrip Applications	The current list of approved applications is attached
2024-25 Fundraiser Applications	The current list of approved applications is attached
Building and Programming Updates	<p><u>Colvill</u></p> <ul style="list-style-type: none"> Completed the enrollment of 10 students into the state funded Voluntary Prekindergarten program. Course flyer and Registration forms for the second semester ECFE (Early Childhood Family Education) classes go out this week. Colvill classrooms will be building Gingerbread houses during the month of December. This fun activity practices fine motor skills in cutting and gluing, persistence, and preschool conversations. <p>Sunnyside</p> <ul style="list-style-type: none"> Grandparents' Day took place in kindergarten on November 25th and 26th. Students shared some songs they have been working in the gym on before heading back to classrooms with all the grandparents to work on some fun activities. This is always one of the most well attended events of the year at Sunnyside! Lynn Dulak is visiting 1st grade classes from December 2 - 16 to teach students about a variety of musical instruments. She connects music to students' everyday lives and emphasizes how music can be used to express themselves.

This unique experience is funded through a grant from the RWPS Foundation.

Burnside

-

Twin Bluff

- FAC's lab renovation is completed and looks amazing. The ADA compliant kitchen is in use and a welcomed addition to our program.
- Trimester 1 ends on 11/26/24
- Grade 6 had a successful field trip on 11/22/24. They visited the State Capitol and History Center
- MS Band will be performing on 12/2/24 at Hovda Hall from 7-8:30 pm

High School

-

Towerview

- The OK Factor performed for students through The Sheldon Theater outreach program on November 20. All students will attend an education day at the MN Zoo where they will have hands on experiences with native MN animals, design exhibits for animals, and have the opportunity to speak with various employees about different careers that are available at the zoo.
