

Child Nutrition Report

May 2019

1. Free and Reduce status is at 75%.
2. We are working on large equipment purchases for 19-20 school year as well as small wares, uniforms and extra seating for the high school cafeteria.
3. Working on 19-20 budget.
4. The contract for Summer Feeding has been approved and working on the budget, menu's, food production and staffing.
5. We are winding down the 18-19 school year and are putting end of the year processes in order. On Monday May 13, the entire district went to a no charge policy until the end of the school year. This is in effort to clear all negative balances.
