ROTARY CLUB BOOKS: The Rotary Club came to distribute books for all 2nd grade students. They do it every year so teachers can pick books at appropriate levels for their students. We appreciate their support.

SCRATCH FOR SCHOOLS: Melanie Harper, Kayla Blackstock, and Raymond Smith made \$175 for our school by scratching off lottery tickets on October 7th at the Idaho Center. This is an annual event sponsored by the Idaho Lottery.

WALK-TOBER:

Mr. Long led a Kick-Off Event on Monday, October 1st with our second annual Homedale Elementary Trojan Walk-A-Thon. Students got sponsors to donate money for walking. Each grade level walked for one hour during the day. It was a great event to kick off our month of walking. Students can walk at recess or whenever their teacher takes them out. The fundraiser brought in over \$4,800.

WAGONS HO!

Wagons Ho was held on October 7th for the 4th grade students. It was a beautiful day and another great event for our students.
