

## POLICY 5055

### Vision Screening

- A. A child **less than** nine years old entering a public school for the first time in Utah must present one of the following to the school:
  - 1. A completed vision screening form signed by health care professional certifying that the child has received an adequate vision; or
  - 2. A written statement signed by a parent that the child will not be screened before attending public school in the state.
- B. The District shall conduct free vision screening clinics for children who are at least 3 **4/2**-years old but not yet 16 years old who enrolled at a school within the boundaries of the District pursuant to [Utah Code § 53G-9-404](#).
- C. A volunteer who serves as a vision screener for a free vision screening clinic for a qualifying child must be either trained by a school nurse or complete the Department of Health and Human Services online training module and must be supervised by a school nurse or an outside entity conducting screening for the District consistent with Department of Health and Human Services regulations. A vision screening volunteer may not market, advertise, or promote a business in connection with assisting at the screening clinic.
- ~~D. Screening provided under this policy shall follow the procedures and standards set out in [Utah Admin. Rules R384-201](#).~~
