Subject: Presentation of M-STEP Results

I would like to request to be placed on the Curriculum Committee agenda for the September 15, 2022, Board of Education Committee of the Whole meeting to present our District M-STEP, MI-Access and MME results.

Last spring, students throughout the state of Michigan in grades 3-8 and 11 took the state's required assessments M-STEP, MI-Access and MME (includes PSAT and SAT). This is the first time since 2019 that we have had strong participation in state testing, as the requirement for participation was put back into place by the MDE. I look forward to sharing our students' results.

Thank you for your consideration of this request.
