Re: 2017 Mahtomedi Schools Phase 2 Pavement Reconstruction

Dear Julie,

On Thursday, February 2<sup>nd</sup> bids were received for the Mahtomedi Schools Phase 2 Pavement Reconstruction project. The low bidder for the project was Peterson Companies with a base bid amount of \$2,577,000.00. Accepted alternates are as shown below:

Base Bid.....	\$2,577,000.00
Alternate 1 - Sand Subbase .....	\$ 353,000.00
Alternate 2 - Work at O. H. Anderson . . . . .	\$ 5,500.00
<b>Total Amount Recommended for Acceptance:.....</b>	<b>\$2,935,500.00</b>

Following the bid opening, I spoke with Luke Kowarsch of Peterson Companies to confirm his understanding of the project. Luke stated he was comfortable with his bid and that Peterson Companies is ready to accomplish the work.

We have worked with Peterson Companies on previous projects and feel their work ethic and ability to complete projects in a timely manner and on budget has been satisfactory. With that, we feel very comfortable with their capacity to perform on this project, and recommend accepting Peterson Companies for the 2017 Mahtomedi Schools Phase 2 Pavement Reconstruction project.

If you have any questions regarding the above please do not hesitate to contact our office.

Sincerely,
