Dear Wood Dale School District 7:

Thank you for supporting Prairie Fest 2016 and in years past at the Friend of the Fest level. Thousands of people attended the sixteenth annual Prairie Fest to sample culinary delights, enjoy carnival rides, hear live music and watch an amazing fireworks display!

Your participation in this year's fest showed your community spirit and made Prairie Fest a complete success. We hope that you plan on supporting Prairie Fest once again in 2017 and continue to make Wood Dale a destination for family and fun.

See you next year!

Sincerely,
