

HILLSBORO EAGLES

Are brighter than ever

Hillsboro Junior High School

ROBOTICS

HJH hosted a qualifier tournament for FLL (First Lego League) Robotics Saturday December 2nd. We had teams from Hillsboro, Grand Saline, Grand Prairie and Roanoak, 16 teams in all competed.

An FLL qualifier consists of 4 parts:

- Core Values Judging
- Project Judging
- Robot Design and
- Robot Games

The support from the district, community and, as well as, family members was amazing. The time these volunteers gave to the kids did not go unnoticed and continues to be appreciated. Student dedication to EagleBots II was awarded with The Project Award.

Rotary Club

Student of the Month

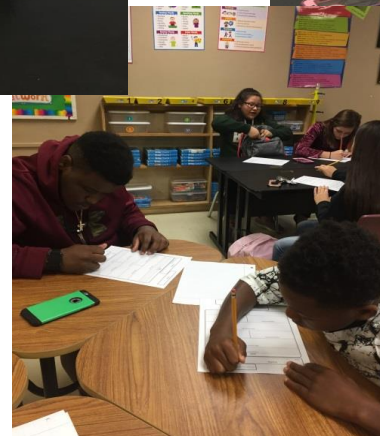

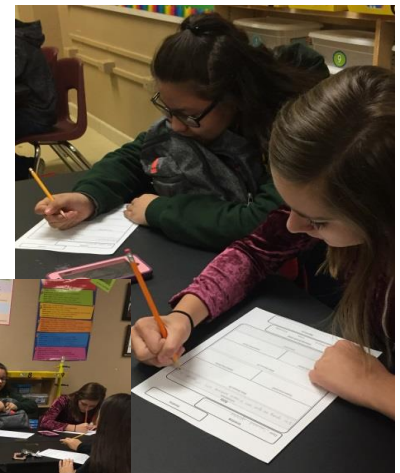

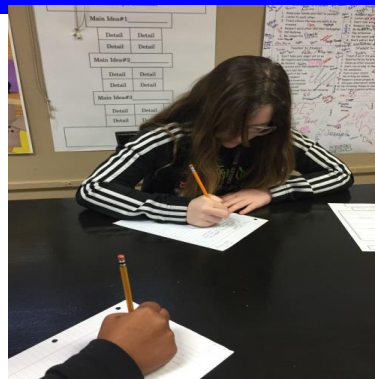

My name Larissa Boyd. I've been a cheerleader for two years, play volleyball, basketball and track. I am in all pre-ap class and take Algebra. I participate in UIL oral reading, impromptu speaking, and calculator applications. I am a member of the National Junior Honor Society and Student Council. I am in FFA and show lambs. Thank you for this award.

I am Johann Arenas. I have attended school in Hillsboro since kindergarten. I take all pre-ap classes and Algebra. I am Student Council President, play football and run track, participate in UIL competitions, and am a member of the National Junior Honor Society. Thank you for recognizing me with this award.

7th Grade Writing

In 7th grade we have been learning about persuasive writing. We have learned that we have to convince/persuade others that our opinion is correct on certain issues. We have decided to write to our friends in 2nd grade at the Hillsboro Elementary School and "persuade" them that 7th grade is better than 2nd grade. We will be including many of the extra things we learn and get to do. In return, our 2nd graders will do the same activity. We can't wait to read our letters from 2nd grade to see if they can persuade us to want to go back to 2nd grade!

FCA has had 4 meetings so far with attendance increasing with each meeting. We have three guest speakers schedule for meetings in November and December.

Pictured below is one of our meetings with two young ladies from the Hill College volleyball team and another picture with 13 of our members at the FCA Game Night at the Baylor vs TCU volleyball game.

BIG SHOUT OUT & THANKS to our local Wendy's for showering Mrs. Vaughn's Key class with gifts in honor of their 1st place Red Ribbon Week decorated door entry. The door featured a theme of Wendy's chicken nuggets and the catchy slogan, "Nuggs, not Drugs". Students were given water bottles, chapsticks, pencils and pens. Special thank you to Wendy's restaurant manager, Reyna, for recognizing and supporting our HJHS students! #NuggsNOTDrugs #ThankYouWendys #RedRibbonWeek #HJHSIsProudToBeDrugFree

VOLLEYBALL

The volleyball girls had a great season this year! We had our ups and downs, like anybody else, but we can truly say that this group of girls worked hard. The overall records for our teams are: 7B= 7-3, 8B=6-4, 7A=6-4, and 8A=6-4. We believe that our 8th Graders are ready for HS Volleyball next year and we know our 7th Graders will continue to build off of the success they had this season. Thank you to all of the teachers, staff, parents, and administrators for continuing to support all of our athletes every single day and helping them succeed not only in athletics but most importantly in the classroom as well.

FOOTBALL

The 2017 football season ended with the Eagle 7th grade a team earning 2nd place in the JH district. The only team to defeat the 7A Eagles was Kennedale (in fact they were the only team to score on the 7A Eagles.). 7A ended the season with an 8-1 record which ties the best record for one of our junior high teams in the last 10 years or more.

The 8A team ended the season with a 3-6 record. The 7B team had a record of 2-2-1 and the 8B team had a record of 0-5. When we had to play a combined B game the Eagles' record was 1-2.

The football staff wishes to thank all of the parents for letting us work with their boys and for being willing to come pick them up after practices and games.

All students, teachers, and volunteers had a great time at the UIL Invitational Meet held at Hillsboro Junior High on December 5, 2011. Hillsboro came in at 2nd place overall with 1156 points and many students placed individually!

Congratulations to all participants!
