

## **ADDITIONAL INSURANCE FUNDING—HB797**

- Districts received additional funds to offset the cost of health, vision and dental benefits.
- \$19698 per support unit. Previously it was \$13,316 per support unit
- After funds are used to pay for employee health, vision and dental benefits the remainder can be transferred and used as discretionary funds.
- Figures out to be \$6382.00/support unit that was added to each districts allocation.
- Do COSSA employees benefit from any of this additional funding?
