GMP

Attachment B: Clarifications

These Clarifications are provided to supplement the information provided by the Owner and Design Team. These Clarifications are based upon the Denton ISD -Borman Elementary School Replacement - Issue For Construction BID DOCUMENTS prepared by Corgan Architects dated October 17,2024.

ALLOWANCE AND CONTINGENCIES

The following allowances and contingencies are included in this proposal:

1 Scoreboard	\$	15,000
2 Contingency	\$	1,500,000
3 Pile Overages	\$	50,000
4 City Comments	\$	100,000
5 Pest Control	\$	30,000

GENERAL

1. Existing school supplies and furniture moving or storage is excluded
2. Hazardous waste abatement is excluded.
3. Any salvaging of equipment at existing school is excluded.
4. Demolition of existing buildings is included.
5. Irrigation well, tank, and equipment is excluded.
6. Booster pump for irrigation system is included.
7. Bi-directional load cell test on auger cast piles is excluded.
8. Materials testing is excluded.
9. Wall rails and grab rails are included as stainless steel, all other guardrails are painted steel.
10. Fluid applied air barrier is included only at dens sheathing. If required at exterior insulated concrete walls, add \$150,000.
11. Sliding Doors will be series 2000 by US Aluminum.
12. Sunshades will be from the same manufacturer as the storefront and curtainwall.
13. A slip form paving machine is included for concrete paving placement at Grackel Street.
14. Site pavers is included using polymeric sand for setting bed and joints.
15. Elevator is included as hydraulic 2,500 lb capacity at 100 feet per minute.
16. Generator is excluded.
17. Any utility company charges for new transformer or primary wire is excluded.
18. Engineering of the solar panels to the point of interconnection is included.
19. Solar panel inverter warranty is included for twenty years plus labor.
20. Precast fence is included as a one color design.
