~~It is the intent of the Board to provide educational opportunities that enrich and challenge the learning of all students. SISD provides learning opportunities that exceed the minimum graduation requirements. All students are encouraged to excel to the highest level(s) offered in each content area.~~

Note: Effective June 30, 2016, the requirement that no secondary student be issued a diploma unless he or she has taken a college and career readiness assessment is repealed. ~~However, school districts still shall require all students in grade 11 and all students in grade 12 who have not previously done so, to take one of the assessments described in 4 AAC 06.717. Students may seek waivers of the requirement under 4 AAC 06.721-.724.~~

The School Board shall provide for students to take college and career readiness assessments as provided by law and regulation. The exams shall be administered in accordance with state law and regulations. The taking of an assessment is not a requirement for a diploma.
