**Re: Adoption of the 2015-2015 Student Code of Conduct**

The Student Code of Conduct review committee met during the spring semester and summer to up-date the CISD Student Code of Conduct for the 2015-2016 school year. Committee members included administrators from elementary, middle and high school, school counselors, representatives from Intervention Services, and CISD Administration.

Revisions were generated and implemented after consultation with the committee, central administration and the TASB "Model" Student Code of Conduct, as well as information received from the TASSP Law Conference. Because this year was a legislative year, required changes from the state are included in this document.

**All changes have been made in red for easy review.**

**Recommendation:** That the Coppell ISD Board of Trustees adopt the 2015-2016 Student Code of Conduct as presented.
