

# 2022 - 2023 Professional Development Plan

United ISD Curriculum and Instruction  
July 20, 2022

# DMA (Local)

The Superintendent shall recommend the District's professional development plan for all District employees. The Board shall annually review the professional development clearinghouse published by the state Board for Educator Certification (SBEC) and annually approve the District's professional development plan. The District's professional development plan must:

1. Be guided by the SBEC clearinghouse training recommendations;
2. Note any differences in the District's plan from the clearinghouse recommendations; and
3. Include a schedule of the required professional development for all District employees.

# Omnitrack Professional Development Tracking System

Professional Development sessions and certificates of completion are tracked for each employee as they sign-in for in-person, virtual or hybrid training sessions.

Omintrack allows participants to provide immediate feedback on the sessions presented. This allows presenters the opportunity to make adjustments for future training sessions and provides district personnel information on who to bring back or who not to hire in the future.

## Certificate of Attendance

This certifies that
