Homedale Board of Trustees,

Spring Sports are well under way and we are just starting into conference play. The amount of support at the events has been great and we are excited about the number of student/athletes participating in extracurricular activities.

**Track** – From Coach Ankeny

The track and field team has gotten off to a great start. We are a smaller team than I originally thought but the dynamics of the team are better than I expected. We have a kind, supportive, encouraging and hard working group of kids out and they are having a lot of fun together on the track. Our first two meets saw some great results. Across the board, the returning kids were bringing in times and distances that were faster and farther than where there were at the same time last season. The "new to track" kids also started off with some great marks. After a two and a half week break between meets, we are back to competing and the kids are even more excited than before. We have quite a few kids poised to score at the District meet and it looks like we have the potential to take 10-15 kids to State!

Some of our stand outs so far have been: Josh Tolmie in the 400, Riley Portwood and Cole Hungate in the 1mile and 2 mile, Maya Correa in the 2 mile, Kerigan Morris in the shot and discus, Richard Symms in the discus, Britt Eubanks in the triple jump, The boys 4 x 400 relay team (Luke Flaming, Andy Martinez, Riley Portwood, Josh Tolmie)

**Baseball**- From Coach Deal

We are 6-3. Playing well. Been very competitive against our 3- 4A opponents. Fruitland tomorrow night at home, focused on getting the 20 year fruitland monkey off of our backs. Have 27 kids in the program.

**Softball**- From Coach Corta

Right now today Homedale softball is setting at 11-1 overall and 3-0 in SRV league play. We have one of our toughest game games coming up tomorrow 4-8-14 against Fruitland winner of that game will take sole lead in SRV race. Our girls are playing at a very high level right now and have a goal of winning district and going to state and representing Homedale high to the fullest. Girls want another STATE CHAMPIONSHIP!!!!!!!!!!!!

**Tennis**- From Coach Michaelson

The tennis team is 1 and 2. We lost to Ontario 5-4 ( I think we will beat them here. With the change in the match the day before a lot of our lineup changed because they don't play mixed in Oregon and several of our doubles teams hadn't played together at all and some doubles players were playing singles there) and Fruitland 12- 0 and beat Nyssa 8-2

Although ultimately our goal is to win state, my preliminary goal is to qualify as many for state as possible. Comparing scores it looks like we have a good chance of placing at least 3rd at district which would give us a chance at placing third at state.

**Golf**- From Coach Grove

Boys have finished 4th and 2nd in our first two tournaments and finished 3rd in our first SRV match. Girls haven't placed yet, but are getting better. There are four girls out this year that are seniors that have never played before so getting them varsity ready by the district tournament is the challenge.
