Discussion/Action

BACKGROUND INFORMATION: Jarrell ISD is a growing district committed to ensuring high-quality instruction for every student through strategic, district-wide initiatives. Having already begun implementation of the Texas Bluebonnet Math Resource, the district is focused on deepening instructional coherence and strengthening system-wide educator and leadership capacity. In the 2025–2026 school year, Jarrell ISD will initiate a new partnership with Education Elements to enhance professional learning structures, align leadership development with the goals of the Strong Foundations grant, and support the continued implementation of high-quality instructional materials (HQIM) through responsive coaching, data-informed progress monitoring, and embedded instructional support. This partnership is designed to accelerate progress and ensure every student experiences rigorous, student-centered math instruction grounded in research-based practices.

STRATEGIC GOAL: Retain quality staff and foster purposeful recruiting.

ITEM ADDRESSED: Partnership with EdElements

BUDGET INFORMATION: \$373,850 (JISD has been awarded grant funds to cover the entire cost.)

RECOMMENDED ACTION: (Consent Agenda) Consideration and Possible Action to Approve the expenditure to allow for the EdElements partnership.
