

EXECUTIVE SUMMARY

Meeting Date:	October 16, 2025
Agenda Item:	Division 22 Assurances for 2024-2025
Item Type:	Report
Administrator:	Jeanne Grazioli, Todd Bloomquist
Objective:	Present Division 22 Report to Community

Background: Each year, Oregon's school districts are required to review the Oregon Administrative Rules (OAR), located in Chapter 581, Division 22, related to Oregon's standards for public schools. Each district must assess whether the district is in compliance with those standards for the prior school year. On or before November 1st of each school year, school district superintendents are to provide a Community Report to their local school board regarding the district's standing with respect to all Standards for Public Elementary and Secondary Schools as set forth in Oregon Administrative Rules 581-022-2305. Districts are required to post the report on their district website by November 1, 2025. Districts then complete and submit the annual Elementary and Secondary Schools Assurance Form by November 15, 2025 to the Oregon Department of Education (ODE)

For the 2024-25 school year, there were 59 standards (up from 56 for 2023-24) in the Division 22 law that school districts must report whether or not they are compliant. Districts need to identify specific evidence and keep close internal tracking of each requirement. We are pleased to report that we are in compliance in all areas of Division 22.

We are also pleased to report that, for the fifth consecutive year, the Oregon Department of Education has designated the Medford School District as an [exemplar district](#) for its transparent reporting of Division 22 standards to the school board and community. This distinction is published on ODE's [Division 22 Standards and Assurance of Compliance](#) webpage.

The final Division 22 Community Report is posted on [Medford's Division 22 Assurances](#) website.
