To all Concerned;

First, I would like to inform you that this is my Formal Retirement Letter from this School District. The official date of the retirement shall be the end of my contract for the 2023-2024 School year. This date is to be in compliance with the fulfillment of all my duties as required by the contract. Please inform me of any shortcomings to these requirements, and if there are any duties I must fulfill, I will complete them,

Secondly, I would like to thank you for the opportunity to impact the lives of the children and youth whom the Browning School District serves. I'm proud to say they were very interested in my classes and that they learned not only the foundational skills of woodworking but also math, reading, vocational skills and civil responsibility. I truly loved the work and the children placed in my care. May God continue to bless this educational institution.

Sincerely,

Robert L. Bremner
