Report to the Board of Education

Lincoln Elementary School

Adam Metzger, Principal

Current Enrollment Numbers:

3rd Grade	4th Grade	5th Grade	Total
57	81 (1-Cornerstone) (2-FACES) (2-Private School)	83 (1-Cornerstone)	221

Highlights:

-Congratulations to Mrs. Mathis' class for winning Dilly Bars for the best attendance at Lincoln School during December (96.2%). That is back-to-back months!

-In December, students completed a variety of projects about the holiday season. One project the 5th graders worked on was "Christmas Around the World". They were tasked with learning about a country, how they celebrate that time of year, and different food dishes.

-Third grade classrooms held late December events such as gingerbread house building and hot cocoa with families. These events had great turnouts and families/students enjoyed their time together.

-The 4th graders had an Ugly Christmas Sweater Competition where they designed sweaters on paper (uglier the better), and then their peers voted on Google Forms in different categories.

-Lincoln School had our winter MAP testing during the week of January 9th. Congratulations to Mrs. King, Mrs. Cross, and Mrs. Chernisky for their students showing the most growth in 3rd, 4th, and 5th grades respectively. Congratulations to Benton Cothorn-Math and Aliyah Wright-Reading for scoring the highest in 3rd grade. Congratulations to Kameron Durham-Math and Autumn Tucker/Karen Ivan-Reading for scoring the highest in 4th grade. Congratulations to Joleigh Hebenstreit-Math and Zayden Powyszynski/Lucy Ishmael-Reading for scoring the highest in 5th grade.

-STEM w/ Kim: Ms. Hahnenkamp continues to do engaging activities with all three grade levels. She does a great job with 5tv crew, is working with the Special Education department on a trial for Scanning Pens, and plans/implements continued projects for 3rd/4th/5th grade students to grow in their science, math, reading, social, and problem-solving areas.
