Dear Marion Young,

Teaching in the Parkrose School District for the past 25 years has been an enjoyable, challenging and satisfying career. I have worked with so many wonderful and supportive people. Many of them have become life long friends. The students, parents, classified, certified, and administrative staffs have taught me some very valuable lessons. It has been a rewarding career.

This letter is to inform you that I will be retiring at the end of this school year. My actual retirement date is July 1, 2009.

Sincerely,

A handwritten signature in cursive script that reads "Linda L. Noel". The signature is written in black ink and is positioned above the printed name.
