RE: Questions Regarding Memorial Medical Center Operations Transition

Dear Mr. Dominguez and Mr. Doss:

In follow-up to a cell phone voice message I received on Friday, March 31, 2017 from Mr. Doss regarding the transition of Memorial Medical Center's ("Memorial") trauma center to CHRISTUS Spohn Hospital – Shoreline ("Shoreline") effective May 2nd, please find enclosed a list of questions that the Board of Managers of the Nueces County Hospital District ("Hospital District") requests that CHRISTUS Spohn provide written answers to regarding the transition. As you will note, these questions relate to CHRISTUS Spohn's duties and obligations under Schedule 2 of the Amended and Restated Membership Agreement and also the representations about the planned trauma center transition made by then CHRISTUS Spohn Health System President Ms. Pam Robertson to the Hospital District in various presentations and also to the public, elected officials, and others during various town hall meetings held in 2014. We request that CHRISTUS Spohn provide responses to the enclosed questions within 7-10 days.

Should you have any questions regarding this letter or the enclosed questions, please do not hesitate to contact me at 361-808-3300.

Sincerely,

Jonny F. Hipp, ScD, FACHE
Administrator/Chief Executive Officer
