

Special Services Board Report

01/10/2023

Board Meeting

- An interview was conducted for a new SPED TA and it went well. We will also be interviewing for a new SPED teacher for KW, as we are adding new qualifying students on a regular basis; Therefore just having one teacher covering both the KW Bergan and Vina Chattin positions is not enough, so we are excited to interview for this position.
- The transition training is scheduled for 1/18 for the Middle School and High School teachers to help them with their transition IEPs and we are working on the final date for the Aware training. OPI is offering Mante training in Great Falls, so we are working on sending several staff members to this training.
- The Speech Pathologists, School Psychologists, OTs, and PTs, are continuing to work hard to assess students to determine whether or not they qualify for Special Education Services and also to provide services for students who are already qualified for services.
- Due to the Holiday Break, it's been fairly quiet in the SPED Department, but we hope everyone had a Merry Christmas and a restful holiday and are healthy and ready to start out the new year!
