

R-P Trap Shooting – 2019

We invite and welcome you to be a member of the Trap Shooting Team.

The Trap Shooting Team Members/Coaches and School District will work in a collaborative manner for students participating on the team. The district will assist the Trap Shooting Team participants and coaches in securing donations. We hope to have the volunteer coaches (from the previous year), and others to assist with the program.

Through a collaborative and cooperative effort, a positive fund balance can and will be achieved and maintained by following these guidelines:

Clay Target Season:

- All participants will pay up to a \$125.00 participation fee, plus a \$35.00 online registration fee to be completed by participant by the March deadline. The actual cost to each participant can be reduced by assisting with funding raising events (i.e. working in the Concession Stand).
- The Coaches and School District will determine final costs per participant by early March 2019.
- All fees will need to be paid before any shooting takes place.
- Lettering criteria will be shared with all participants.
- Students must meet R-P academic criteria to be eligible to participate each week.

MN State Clay Target Tournament - Alexandria:

- Students pay the entry, lodging and meal expenses.
They may be able to offset some of these costs by working (or having a parent work) in the concession stand during the fall/winter home events.
- District will provide transportation and the coaches' lodging expenses.

MN State – State High School Clay Target Competition – Prior Lake

- District provides transportation, lodging and a \$10.00 stipend per meal for the team and/or team members that qualify for this shooting competition.

Fundraising:

This will be done by the participants and Volunteer Coaches.

The district is willing to assist as needed with letters of support and thank you's.

Pay for Coaches:

Coaches will be reimbursed for all expenses incurred by them for the Trap Shooting Team. In the event there is money left over after all events and competition expenses are met, consideration will be given to paying the coaches for their contributions during the season.

Coaches - 1 head 2 assistants 1 Range Safety Officer

Thank you for your interest and participation as a member of the R-P Trap Shooting Team.
